Salon for Bear Givers @ JBS

Back at JBS again to install a show for Bear Givers. Not only is it an awesome function but for me a challenge. When I arrive close to 100 drawings of future artists are waiting for me to organize into a show with a meter and order. But hopefully a challenge I will always be up to. This wall was devoted to landscapes, specifically those involving a tree as a central element. As always I enjoyed the challenge and was doubly impressed by the work shown.
